## Storm Data and Unusual Weather Phenomena

July 1999

Location	Date	Time Local/ Standard	Path Length (Miles)	Path Width (Yards)	Killed	Persons Injured	Estimated Damage Property	Crops	Character of Storm
----------	------	----------------------------	---------------------------	--------------------------	--------	--------------------	---------------------------------	-------	--------------------

### ARKANSAS, Central and North Central

#### Boone County

**4.2 N Lead Hill to  
3.9 N Lead Hill**      **24**      **1732CST  
1733CST**      **0.4**      **100**      **0**      **26**      **Tornado (F1)**

A waterspout that developed over Bull Shoals Lake moved southwest into Lead Hill Park in Boone County, or about 4 miles north of Lead Hill. As it moved ashore, its classification changed to a tornado. The tornado was weak, but caused considerable damage to several camping trailers. Trees were also downed or snapped. Twenty six people were injured, with 5 people injured seriously. The tornado tracked roughly four tenths of a mile before dissipating.

#### Boone County

**4 N Lead Hill**      **24**      **1732CST**                **0**      **0**      **Hail (0.88)**

#### White County

**Pangburn**      **26**      **1245CST**           **0**      **0**      **7K**      **Thunderstorm Wind (G50)**

Thunderstorm winds damaged the roof of a home and also destroyed a shed near Pangburn.

#### Jackson County

**8 SE Denmark**      **26**      **1315CST**           **0**      **0**      **2K**      **Thunderstorm Wind (G50)**

Thunderstorm winds damaged the back porch of a home, removed part of the roof, and downed 25 trees about 8 miles southeast of Denmark.

#### Garland County

**Hot Spgs**      **26**      **1350CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds downed several trees at Hot Springs.

#### Garland County

**1 N Mountain Vly**      **26**      **1355CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds downed some trees about 1 mile north of Mountain Valley.

#### Garland County

**Fountain Lake**      **26**      **1358CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds knocked down a few trees at Fountain Lake.

#### Conway County

**4 N Hattieville**      **26**      **1520CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds knocked down some large tree limbs about 4 miles north of Hattieville.

#### Faulkner County

**3 E Conway**      **26**      **1527CST**           **0**      **0**      **Thunderstorm Wind (G70)**

Thunderstorm winds were estimated around 80 mph about 3 miles east of Conway. The winds destroyed a metal canopy at a small airport, with the canopy falling on and damaging a plane.

#### Faulkner County

**Conway**      **26**      **1530CST**           **0**      **2**      **Thunderstorm Wind (G70)**

Thunderstorm winds were estimated around 80 mph at Conway. The winds caused damage at a car wash, gas station and lumber yard. At the lumber yard, a board was thrown through a windshield and injured a woman. A bowling alley also sustained major roof damage. Several trees, power lines and signs were blown down as well, with some trees leaning on houses.

#### Lonoke County

**Cabot**      **26**      **1555CST**           **0**      **0**      **Hail (0.75)**

#### Lonoke County

**3 S Cabot**      **26**      **1600CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds blew over a large trailer about 3 miles south of Cabot.

#### Faulkner County

**Conway**      **26**      **1600CST**           **0**      **0**      **Flash Flood**

Three to four inches of rain in less than an hour flooded several streets in and around Conway.

#### Pope County

**Pottsville**      **26**      **1615CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds downed several large tree limbs at Pottsville.

#### Baxter County

**Mountain Home**      **26**      **1800CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds downed trees and power lines at Mountain Home.

#### Baxter County

**3 NE Norfolk**      **26**      **1800CST**           **0**      **0**      **Thunderstorm Wind (G50)**

Thunderstorm winds downed trees and power lines about 3 miles northeast of Norfolk, or near Salesville.
